TYPE OF WINE

Sparkling wine

TERROIR

Clay limestone soils

APPELLATION

Vin de France

GRAPE VARIETIES

50% Sauvignon Blanc

50% Sémillon

ALCOHOL CONTENT

11%

VINIFICATION

Direct pressure after harvesting, natural fermentation in tank and bottling just before there is no more sugar.

The end of fermentation occurs in the bottle. Then, bubbles are formed.

No filtration, no disgorgement.

JANCIS
ROBINSON
16,5

This delicious pet' nat' opens with a nose that reveals aromas of fresh grapes, apple, pear juice and citrus fruits when aerated. Dry, light and lively, it offers a juicy mouth, all in freshness, driven by delicate bubbles. There is nothing very complex, but it is very well made, greedy and delightful. Ideal for simple and convivial occasions such as an aperitif or a picnic. To be enjoyed on its own or with grilled white fish, tartar or sushi.

Potential ageing: 3 years.
